CERTIFICATE OF FACTORY PRODUCTION CONTROL

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21st December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive — CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22nd July 1993, it has been stated that the construction product:

CELFIX THIN MORTAR LAYER

produced by the manufacturer:

H+H UK Limited
Celcon House
Ightham
Sevenoaks
Kent
TN15 9HZ

in the factory:

CMS POZAMENT, DERBYSHIRE

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factories in accordance with a prescribed test plan and; that the notified body, the British Board of Agrément, has performed the initial inspection of the factories and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This Certificate attests that all provisions concerning the attestation of factory production control described in:

EN 998-2 : 2003

were applied.

This Certificate was first issued on 3rd December 2004 and remains valid for as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Signed on behalf of the British Board of Agrément:

Date: 3rd December 2007

Expiry date: 2nd December 2010
