Cookie Policy

The H+H UK Ltd website (www.hhcelcon.co.uk) uses cookies. A cookie is a small piece of text sent to your browser by a website you visit. When you first visit our site, you will be asked to 'agree' to the use of cookies whilst navigating the H+H website.

H+H UK Ltd use cookies to collect statistics on the number of users accessing the Website and how they use it, including how they access the Website, the length and frequency of visits and pages viewed. We use this information to create reports and improve the Website. The software that we use is provided by Google Analytics.

By using the Website after accepting the cookie notice or by browsing the Website, after the notice has appeared and been accepted, you agree to the placement of cookies on your computer in accordance with the terms of this Cookie Policy.

It is your right not to accept cookies, but without accepting them you may experience reduced functionality on the H+H Website. If you wish to reject the cookies then please read the information that is provided by the browser software you use, in order to see how you can turn off the automatic download feature.

For more information about cookies, please go to www.allaboutcookies.org.
